

# The Kindness Diaries

## Changing Lives One Adventure at a Time

**Wednesday, March 29, 2017 at 7-8 pm**  
**Daves Avenue Elementary School MPR**

**For Parents AND Students Grades 6-12**  
**Admission is free!**

Growing up, Leon Logothetis was bullied mercilessly by his classmates and suffered for years in anguish. As an adult, he decided that the best way to let go of his own pain was to engage on a mission of kindness around the world.

As seen in the Netflix series "The Kindness Diaries" Leon sets off with no food, no money, and no gas on a yellow motorcycle, Leon traveled around the world relying purely on the kindness of strangers. It is the contrast between these two experiences that Leon shares with his audience that demonstrates that no matter what they are feeling in a moment, there is magic in life on the other side.

Two books "The Kindness Diaries" and "Live, Love, Explore" will be on sale at the event at a highly reduced price for \$10 each.
