Vaping & Drug Awareness: What to Look For!

Did you know that more than 1 in 20 8th-grade students reported using alcohol, marijuana, or illicit drugs in 2018? Let the LGMSPD put you ahead of the curve with real-life stories and recommendations on how to recognize potential problems while providing options and resources to keep your family on the right track.

This is a **Parent only** event to encourage open communication. Come curious and ready to ask plenty of questions!
